How to find an Internship

Where to search

In the following some relevant search engines are shown.
Be aware that I partially already filtered by:

- vicinity to Heilbronn
- Praktikum

You might also look for search words like Elektrotechnik, Embedded, Elektronik

1. [Stepstone](#) - strong in Germany; good filters by city/region
2. [Xing Jobs](#) - Germany-heavy.
Refine the search by the “hamburger menu” with
 1. Search radius: as you wish
 2. Employment type: Student
 3. Career level: Student/Intern
3. [LinkedIn Jobs](#) - best for “embedded/firmware” and direct networking
4. [Jobware](#)
5. [GlassDoor](#)
6. [XING – Praktikum Jobs](#)
7. [Absolventa](#)
8. [get in Engineering job search](#) - No direct search for internship positions, HOWEVER: It is a good spot to find companies which are looking for engineers.
An initiative application to them would be a good idea.
9. [Bundesagentur für Arbeit – Jobsuche \(Praktika\)](#) - often overlooked, but does not have as much results
Refine the search by clicking onto “Arbeit” below “Was suchen Sie?” and change it to “Praktikum/Trainee/Werkstudent”

Examples for possible jobs beyond the big players (from 16.12.25):

1. ATS Automation - Praktikum in Engineering & Design
2. Schulz Group - Praktikant / Werkstudent (m/w/d) Produktentwicklung – Konstruktion & Elektronik
3. Carrybots - Installation und Deployment Mobile Roboter, Softwareentwicklung Robotik ROS
4. VEGA Grieshaber - Abschlussarbeit/Praktikum/Werkstudententätigkeit: Hardware oder Software im Bereich Embedded Systems
